 Title of presentation:

Chair should answer or confirm the following questions:

1. Please indicate which speaker in this session is a junior faculty (no more than 4 years as a PI) or/and a woman faculty:

Name:
 Affiliation:

2. Chair and co-chair should be current SCBA members (at the time of proposal submission). Speakers should be SCBA members (at the time the session is officially approved).

Chair and co-Chair are current SCBA members: (YES) or (NO)

Please indicate the number of current SCBA memberships in your session (from 0 to 5).

All Speakers will be SCBA members by the time the proposal is approved: (YES) or (No)

3. Confirm that each session will have no more than two speakers from the same institution.

4. Confirm that each speaker has agreed to speak in one session only.

Please use the following format for naming your proposed workshop for one of the ten general science topics (if not, having the proposal for “others”) when submitting it online or by email attachment to zhengt@exchange.nih.gov or lzou1@mg.harvard.edu

Last name, first name, key words.doc (for example: Zhang Feng CRISPR Biotechnology.doc)

The decision for proposal acceptance will be emailed by the SCBA Scientific Program Committee to the Chair by March 15, 2022.
